UAF Winter Trails for Dog Walking

DOG-FRIENDLY TRAILS
Walking, running, snowshoeing and leashed dogs. Walking trails are parallel to the ski trails in most locations. Signs are posted along the trails indicating which are walking trails and which are skiing trails. Bikes and horses prohibited in winter.

CONNECTING ROADWAY
Any muscle-powered use. No motorized use.

SKIING ONLY
All other uses prohibited on trails shown in gray.

“DOGS ALLOWED” AREA (WINTER)
Leashed dogs are permitted only in this area during the winter. Dogs are prohibited in all other North Campus areas in winter.

TRAIL USER PARKING
No decal required for short-term trail use. (The west campus parking lots are open to the public evenings and weekends.)

This map shows many existing recreation trails and access roads. UAF’s multi-use north campus area is home to many research projects and is a valuable area for education. Please respect and do not disturb the numerous scientific research projects, plots, markers and equipment out in the north campus lands. For more information about the north campus area and the trail system visit www.uaf.edu/mastplan/
